INSTRUCTIONS

Application for Tax Exemption Requirements. This Application is for any person, organization, corporation, limited liability company, partnership or association seeking a tax exemption for improvements/construction to real property in the Borough of Wilkinsburg.

Any person, organization, corporation, limited liability company, partnership or association desiring tax exemption shall notify the Borough Manager or his/her designee in writing via this form provided by the Borough Manager or his/her designee to be submitted at the time the applicant secures a building permit for the improvement/construction, or, if no building permit is required then, thirty (30) days prior to the commencement of the improvement/construction.

Applications for temporary tax exemption not submitted to the Borough Manager or his/her designee thirty (30) days prior to the issuance of a building permit (or, where no permits are required, thirty (30) days prior to the commencement of the improvement/construction) will not be eligible for tax exemption hereunder. The Borough Manager or his/her designee shall submit this Application to the Joint Committee who will either approve or reject this Application. The granting of exemption will be automatically revoked in the event of one of the following: (1) Failure to pay any property tax due on any property within the Borough of Wilkinsburg, in full, within 60 days of becoming due, or (2) Failure to abate a building or housing code violation on any property within the Borough of Wilkinsburg as provided for in the notice of violation, or (3) Willfully or negligently failing to provide accurate information herein.

The application for exemption must set forth the following information:

- A.** The identity of the unimproved property that is to be improved by reference to the adjoining street, road or highway and the block and lot or tax parcel identification number of the property as designated by the Real Estate Division of Allegheny County;
- B.** A title report issued within 60 days of application with the identity of the current owner of record, or person or entity having an equitable interest in the property, and any person or entity having any financial interest in either the property or the planned improvement/construction;
- C.** The date the building permit was issued for the planned improvement(s)/construction or, where no permit is required, the date improvements/construction commenced or will commence;
- D.** A summary of the plan of improvement/construction and financing of the property;
- E.** An estimate of the cost of the planned improvement/construction; and
- F.** The date of the last assessment and documentation of the last assessed value.
- G.** Such other and additional information as may be required to determine eligibility for the exemption by the Borough Manager or his/her designee or the Joint Committee on Administrative Process to Reclaim Vacant Properties.

Processing of Application for Temporary Tax Exemption. If the application meets the requirements of all applicable laws and upon approval of the application by the Joint Committee on Administrative Process to Reclaim Vacant Properties, a copy of the application shall be forwarded to the Office of Property Assessment of Allegheny County and the applicant shall be notified of such action. Upon completion of the improvement/construction, the applicant must promptly notify the Office of Property Assessment of Allegheny County so that an inspection of the improvement/construction may be made. When the Office of Property Assessment has completed its inspection, such agency shall assess separately the improvement and the land, shall calculate the amounts of the assessment eligible for tax exemption in accordance with the limits of all applicable laws and shall notify the applicant and the Borough Manager or his/her designee of the same. Abatement shall begin in the tax year following the completion of the improvement/construction.
