PUBLIC GATHERINGS

§205-2. WILKINSBURG CODE

§205.2. Permit applications; review.

- A. Applications for permits shall be submitted not less than seven (7) calendar days prior to the date of the gathering. Each permit shall include information on the number of people expected to attend, the extent of interference with public rights-of-way, if any, the extent and nature of commercial activity (e.g., the sale of food or merchandise), if any, special services which may be required, such as electricity, sanitary facilities, or waste removal, the provisions for security and traffic control, copies of permits from any other governmental agency or political subdivision, specifically including Pennsylvania Department of Transportation and the Allegheny County Health Department, and the names, addresses and phone numbers of persons responsible for the event.
- B. The Parks and Recreation Advisory Board (the "Board") shall review the application and determine whether it is complete and specify the applicable amount of the permit fee and deposit, if any. Upon finding that the application is complete and that the permit fee and deposit have been paid, the Board shall issue a permit for the proposed gathering. The Board is also authorized to impose a reasonable time, place and other restrictions or conditions upon the public gathering to reduce unnecessary interference with public rights-of-way and the peace and enjoyment of the community. [**Amended 1-20-2010 by Ord. No. 2830**]
- C. The Board shall meet once per month to review applications for permits. In the event that an applicant requires an application to be reviewed prior to the next scheduled meeting of the Board, the Borough Manager and the Chief of Police shall act in the Board's stead.
